MOBIZONE

Dynamic and portable

Small but mighty!

MOBIZONE revolutionizes travel, effortlessly combating odors and enhancing air quality. With its versatile 12V adapter and USB compatibility, it seamlessly integrates into various vehicles and can be used on the go, making it perfect for long-distance coaches, mobile homes, camper vans, and emergency vehicles. Beyond transportation, it's your portable solution for a clean and hygienic atmosphere, whether in hotel rooms or around the home.

Designed for:

Taxis, Ride-shares, Coaches and Buses. Camper Vans, Mobile Homes, Boats, Barges. Hotel Rooms, Hostels, Rental Accommodation. Personal use, around the home.

Benefits of MOBIZONE:

- **Advanced Odor Reduction:** Improved air quality enhances wellbeing wherever you are.
- **Plug and Play:** Convenient operation with multiple power adapters.
- **Space Saving Design:** Small and compact, can be used in gym bags, cupboards and other small spaces.
- **Earns Positive Reviews:** For taxi, coach and ride share companies.
- **Personal Portable Device:** Take a clean environment with you wherever you go.
